## FUND DESCRIPTION

The Indexed Emerging Market Debt Hard Currency Fund is a passively managed fund that invests in currency hedged Emerging Market Government Debt. The fund aims to perform in line with the JP Morgan ESG EMBI Global Diversified Hedged Index. The index is a market cap weighted index and has a 10% maximum weighting cap on each Emerging Market member country following monthly index rebalances thus limiting exposure to any one country. The fund invests in currency hedged Emerging Market Government debt with a term to maturity of greater than 1 year.

**Warning: If you invest in this product you may lose some or all of the money you invest.**

The assets in this fund may be used for the purposes of securities lending in order to earn an additional return for the fund. While securities lending increases the level of risk within the fund it also provides an opportunity to increase the investment return. Non euro currency exposures may be fully or partly hedged back to euro to reduce foreign currency risk.

This fund is provided by Irish Life Assurance plc and is managed by Irish Life Investment Managers Limited.

**Warning: This fund may be affected by changes in currency exchange rates.**
